Office for the Deaf and Hard of Hearing and Behavioral Health Initiative Fall Tour 2025

Join the Office for the Deaf and Hard of Hearing (ODHH) for our fall tour of Wisconsin. Come and meet ODHH staff to learn about the many projects they have been working on and discuss community needs. During each workshop, ODHH staff will provide updates on things happening around the state and the independent living center (ILC) staff will each present on the services and supports that they offer. This event is for members of the Deaf, Hard of Hearing, and DeafBlind community, behavioral and mental health clinicians, and interpreters.

Register for the
fall tour event

Registration

[Click here to register in advance!](#)

This event is free, but you must register in advance. Please register at least one week before the event you would like to attend. Register each person that will attend, so we have an accurate count for seating, refreshments, and accommodations.

Accommodations

American Sign Language and spoken English interpretation will be provided along with communication access real-time translation (CART) captioning.

Spring 2026 dates

Watch for spring 2026 tour dates to the other ILCs, including Access to Independence in Madison, Independence First in Milwaukee, Independent Living Resources in LaCrosse, and Midstate Independent Living Choices in Stevens Point.

Please contact Stacie Heckendorf, BHI project coordinator, at 608-234-2046 or dhsodhbhi@dhs.wisconsin.gov to request additional accommodations, for help with registration, or to ask questions.
